

## Homepage - Intro Text

Hi, I'm Charity, a UX Designer 🙋

Creative problem-solving gets me excited especially when it is centered around people. I love tackling a problem and brainstorming creative solutions. There are always exciting opportunities waiting to be discovered in every problem!

## Connect - Expert Booking App

A mobile app that enables individuals to book expert advice for any issue.

### Tools Used

Figma | Miro | Lyssna | Optimal Workshop

## Sparki - Language Learning App

A fun little vocabulary app that allows you to make custom quizzes that help you recall new words and terms.
